

# Make A Kit

**72 Hours.** Do You Have What You Need To Make It Through...If you were stuck in your home or had to evacuate?

**WATER & FOOD** ...good rule of thumb is 1 gallon of water per person per day

**CELLPHONE CHARGERS** ...to keep in touch, throw in a car charger in case power goes out

**MEDS** ...prescription list, medical card, doctor's contact info

**CASH** ...initially power outages may prevent you from using an ATM or credit card

**IMPORTANT DOCUMENTS, PICTURES** ...stick copies on a flash drive or CD so you can grab & go

**INFANT & KID SUPPLIES** ...baby food & diapers, extra clothes, books & games for the kiddos

**PET FOOD & WATER** ...Fido needs to eat too
